

ID REQUIREMENTS AND DIRECTIONS

ID REQUIREMENTS WHEN TRAVELING TO/FROM MEXICO:

Directions to Building Site in Tijuana, Mexico:

Take either I-5 or I-805 South to the 905 FREEWAY EAST towards Otay Mesa and the USA/Mexico Border. When you cross the Border, you will go through an area that says 'Nada qué declarar' (Nothing to Declare). Depending on whether you get a green light or red light, proceed forward.

- If you get the green light, proceed straight ahead.
- If you get a red light, pull over to the right-hand side for inspection, and the officials will inspect your car. You can claim \$300 of personal belongings.

If they ask, tell them you are volunteers building a house for poor people in Tijuana.

Once through the customs area **continue straight onto the bridge and pull over** to wait for the rest of the cars in your caravan.

Note 1: You will be crossing in front of the cars in line for the border and they are hesitant to let people through. Be persistent. You can wait along the side of the road after crossing through the traffic. At the end of the block **turn left at the signal light** onto the Industrial boulevard ((Alberto Limón Padilla Blvd).

This intersection is about a mile from the border.

Note2: Sometimes the intersection at the arches is blocked off by the police for traffic flow purposes. If blocked, turn right, then the first left at stop sign, and left again at the light. You will then be on Industrial Blvd.

Once on the Industrial boulevard, **continue straight** towards the "Tecate Cuota 2" (Toll Road).

After a short distance on the boulevard, there will be a split in the road with an exit down to the right – **remain in the left lanes and pass over the bridge** – continue toward "Tecate Cuota Toll Road". Continue through the industrial area. You'll be on this boulevard for about 5.6 miles.

Once you have passed through the industrial area and the twin towers monument, **the road will become "Tecate Cuota Highway 2."** Proceed straight following the signs to the Tecate / Mexicali Cuota (toll road).
